Mary Wiginton
Island Home Park Neighborhood Association
2032 Island Home Blvd
Knoxville, TN 37920-2741

Dear Mary,

Thank you for Island Home Park Neighborhood Association's generous donation of \$250.00 to Ijams Nature Center to honor the memory of your neighbors, Jack Sanford and Joe Acree.

Ijams is passionate about the environment and protecting it, and everything this nonprofit nature center offers is designed to educate and inspire others to do the same.

Your gift, received on 3/31/2026, helps to ensure that more than 620,000 visitors annually can enjoy 320 acres of amazing outdoor experiences.

Outstanding environmental education and outreach programs exist because of YOU. A child can play in Jo's Grove, learn about a snapping turtle in the exhibit hall or watch a red-tailed hawk in the raptor enclosure because of YOU. The Tennessee River and its associated creeks are cleaner because of YOU. Visitors have the opportunity to hike, bike, run or boat in the natural beauty of East Tennessee just moments from downtown Knoxville because of YOU.

Ijams is a wonderful place. Thank you for making it possible by remembering Jack and Joe with this gift.

Gratefully,

Amber Parker
Executive Director
